

MEDIATION 2

Susie's daughter is **16** and she doesn't know anyone around. Apart from eager to make new friends she'd love to go out and have some fun, but the thing is, everything in Alhama is to be discovered.

Maybe you could help her and describe how teenagers spend their time in town: places to go, where to hang out and how to enjoy mostly on weekend time. (BTW, her name is **Corey** and she is astonishingly pretty)
